Payments sent or received over networks not specified in this price list will be charged at "Other incoming" and EUR SWIFT outgoing prices.

If a fee is listed in euro but the transaction is in another currency, fee will be converted and charged in that currency.

The sign-up fee and monthly fees will be deducted automatically once sufficient funds are available in any of your accounts, regardless of currency.

The billing period starts on the date of your first incoming payment.

Fair usage policy

If the combined number of transactions of the following types during the current paid subscription billing period exceeds the specified limit, additional transactions are charged according to the Free plan.
